

## Dirt Digging Area

Dig in the sand and see what you can uncover.

## Nature Discovery Zone Adventure Guide

Use this Adventure Guide to help you discover the Big Bear Discovery Center's certified Nature Explore™ Classroom!

## Gathering Area

Your adventure begins here! Look over all of the Nature Explore Classroom, then use this guide to help you plan which areas you'd like to visit, and what you'd like to do.

## Quiet Space

Sit underneath a tree and reflect on your time spent outside.

*Please return this guide when finished.*

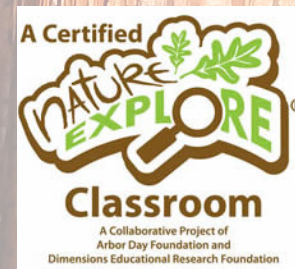

*Thank you!*

**Once you make a plan... take the Pollinator Pathway to one of the other areas!**

## Pollinator Pathway

The Southern California Mountains Foundation, a 501(c)(3) non-profit organization, is committed to three initiatives addressing conservation/restoration, environmental education and responsible recreation on Southern California public lands. Through partnerships and a strong volunteer network, the SCMF brings communities of people, partners and funding resources to important projects and programming focused on health, stewardship and sustainability. Visit [www.MountainsFoundation.org](http://www.MountainsFoundation.org) for more information.

**Please supervise and participate in the play of your children.**

## Music and Movement Area

Play a tune with nature on the Marimba... dance or perform on the stage.

## Messy Materials Area

What will you create... an eagle's nest, a coyote den? Use your imagination.

## Climbing & Crawling Area

Jump, climb, explore.

## Building Block Area

What wood shapes and sizes will you choose for your creation?

## Nature Art Area

Use natural materials to create designs and mosaics.

Take a photo to remember your design.
